## MEMORANDUM FOR RECORD

SUBJECT: Letter of Recommendation for Lori Burke, LLB Enterprises, LLC

Lori Burke and LLB Enterprises earned the respect of the Department of Defense 60<sup>th</sup> Anniversary of the Korean War Commemoration Committee (KW 60) leadership during her fifteen months of service to our committee. Working in support of our congressionally authorized mission, Lori exemplified personal character, coolness under pressure, and a tenacious drive to overcome any obstacle and exceed our expectations. In her role as a committee member and business owner, Lori brought the full force of LLB Enterprises to our effort to recognize Veterans of the Korean War and to commemorate the 60<sup>th</sup> Anniversary of the War.

In her dual capacity as a committee member and business owner, Lori hired and managed seven professionals whose efforts contributed invaluable support to our committee. She served as the liaison between our committee and the U. S. Park Service, the U. S. Secret Service and the White House Staff as we worked to conduct a National Commemoration which was hosted by the Secretary of Defense and featured President Obama as the keynote speaker.

She helped to formulate an event budget in excess of two million dollars and managed the execution of that budget. On the committee's behalf, she worked with thirty separate vendors to provide a commemoration event that was attended by more than five thousand Veterans and their families, and was watched by millions of Veterans and citizens around the country and the world. We would not have been able to successfully meet our mission without the tireless support of Lori and her LLB team.

Respectfully,

Timothy B. Washington  
Lieutenant Colonel, U. S. Army  
Deputy Director
