Ms. Lori L. Burke, CMP
President and CEO
LLB Enterprises

Dear Ms. Burke,

LLB Enterprises was the answer for the Association of Air Medical Services.

Your attention to detail and overall professionalism cannot be matched. During our 2013 Air Medical Transport Conference when we had a very high profile speaker that needed extra care and attention LLB Enterprises provided the liaison/extension necessary between the AAMS staff and our VIP who was located remotely. That operation was vital to our completing a successful event.

Ms. Burke and her colleagues put our entire staff at ease with their guidance and help at that crucial juncture.

Thank you,

Natasha J. Ross
